

September 17, 2010

Ms. Davena Jordan
Executive Director
AWOL All Walks of Life, Inc.
6 Oglethorpe Professional Blvd.
Savannah, GA 31406

Dear Ms. Jordan:

On behalf of the Comcast Foundation, I am pleased to provide you with a grant in the amount of \$20,000. This grant is in support of the Arts and Technology After School Youth Development Program. Enclosed is payment in full for this grant.

If you plan to publicly recognize this grant via press release, photo caption, newsletter article or Web site, we would greatly appreciate you considering the following suggested guidelines:

- Emphasize the program or initiative that this grant will help support and how it will positively impact both your organization and your community.
- Contact your local Comcast representative to obtain a quote from a member of the local management team and boilerplate language about the Comcast Foundation for press releases and articles.
- Please include the following information:
 "This grant from the Comcast Foundation is in recognition of Comcast's commitment to the communities where its customers and employees live and work. Since its founding in 1999, the Comcast Foundation has distributed more than \$65 million in cash support of programs implemented locally in Comcast communities."
- If applicable, please mention Comcast as a year-round partner of your organization.

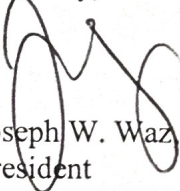

The Comcast Foundation is always working to strengthen our partnerships in the community and to publicize the good works of the organizations we fund. If you have any stories or examples about the kind of impact you were able to achieve with the help of the Comcast Foundation grant, please let us know. In lieu of a formal report, a few sentences on the outcomes your

organization was able to achieve will enable us to better promote your successes. Examples are provided in the attached Impact Stories.

The Comcast Foundation is pleased to provide you funding for the above mentioned project and we look forward to hearing about the program's accomplishments. If you have any questions, please contact your local Comcast representative, Stacy_Cole@cable.comcast.com or 678.385.5115.

Sincerely,

Joseph W. Waz, Jr.
President
